ITS action upon the system is very general, no part escaping its influence; it is, however, upon the secretory and excretory, that its great power is particularly manifested; from this it will be seen to have a direct effect upon the biliary organs and to be particularly adapted to the treatment of Bilious fevers, and other diseases where a torpidity or congestion of the liver and portal circle prevail; hence the great success that has attended its administration in liver affections and dyspepsia, and diseases of the stomach and bowels generally. Being diffusable in its operation, it produces a free circulation in the vessels on the surface of the body, accompanied by a general perspiration.

Samuel W. Carrington, Petitioner for Divorce.

IN this case it being made appear to the satisfaction of the Court that a subpoena had regularly issued as directed by law to the defendant, commanding her appearance at this term of the Circuit Court at the Court House in the town of Collierville, to plead answer or demurrer to the petitioner's petition, and all other matters and things done in the premises, as required by the act of assembly in such case made and provided; and in further appearing to the satisfaction of the Court that the defendant is a non-resident of this State, it is therefore ordered by the Court, that publication be made in the Holly Springs Banner, a newspaper printed in the town of Holly Springs, in the State of Mississippi, for three months successively, notifying the defendant of the pendency of this petition, and that unless she be and personally appear at the next term of the Circuit Court, to be holden in and for the county and State aforesaid, at the Court House there, in the town of Collierville, Yallobusha county, Mississippi, on the second Monday of March, A. A BARGAIN.

THE YAZOO BANNER OFFICE is offered for sale. Having determined to go into other business, the proprietors offer this very valuable establishment for sale, upon the best terms, if application is made immediately. It is with one exception the most profitable weekly Printing Office in the State, and has an increasing patronage of the most lucrative character. Its advertising columns, for the past two years, will evidence its immense revenue. This is perhaps the most fertile Cotton region in the State, and this is now no doubt one of the richest Counties in Mississippi, and in a few years will ship more Cotton than any County in the State. The patronage which the office has enjoyed must continue for several years, as the laws of the late Legislature, instead of shortening the time of the payments of debts, has so arranged it as to require that property shall be advertised now twice, when it was formerly but once, and hence to extend the time of paying debts.

It were a useless waste of time for us to indulge in a lengthy description of the advantages to be derived from a purchase of this office, as purchasers can best judge for themselves by calling upon either of the undersigned, and examining the same in person.

A. B. & S. L. CORWINE,
Proprietors of Banner.

TO THE PEOPLE OF THE STATE OF MISSISSIPPI.

I present myself as a candidate for State Treasurer, to fill the vacancy occasioned by the death of Mr. Williams.

It is common with candidates for public favor, to submit to the people an exposition of their political principles. The duties of State Treasurer are plainly prescribed by law, and a faithful compliance with the law is all that is required of him. I therefore cannot see the reason that his political principles should be the test of his qualification for this office.

It then only remains for me to pledge myself, if elected, to devote my energies and abilities to the accomplishment of the end contemplated by the Legislature—a faithful compliance with the law.

JAMES M. DOWNS.

Jackson, March, 1840.
